AREA MEMBERSHIP UPDATE

Please keep up the great work at branch level to encourage all your members to renew and stay part of our Association. In terms of membership growth we are on track to achieve our aims in 2017 but really need your sustained help. If every branch could consider net growth of 12% then, as an Area, we shall be contributing positively to the Association's strategic plan. Here's how we are looking right now.

Lapsed Memberships where the end date is last year.

Membership Management

BRANCH AND CLUB AGMS – FORM 1056 BRANCH AND CLUB

Please don't forget we need your updated Branch & Club 1056's as soon as possible following your respective AGMs, copies of which have been sent out to all Branch Secretaries. It's vital we are holding the correct information on who is doing what including those filling extended Branch and Club roles.

Branches are reminded in accordance with Branch Regulation (BR) 23, Annual General Meetings (AGM's) should take place between 1 January and 31 March 2017. PERSONAL DATA PRIVACY – BRANCHES AND CLUBS

Please note – Important Information: The Association has a legal obligation to protect personal data in conformance with UK data protection legislation (currently the Data Protection Act (DPA) 1998). The Association's Personal Data Privacy Policy, together with the associated Standard Operating Procedures, describe the measures necessary for the Association and its members to comply with the DPA. At Branch level this means that any personal data held about Branch members must only be used for legitimate Association purposes and that all personal data must be kept under strict control and not inadvertently shared or made available for unauthorised use.

The Association is only able to share personal data with Branch officials who have agreed to use such data in compliance with the Policy and have signed the annual Certificate of Compliance for the protection of personal data. Some of our branches and clubs have not yet returned the signed certificate regarding compliance with the Data Protection Act, which was sent out earlier this year. Until these certificates are returned, we are not able to provide those branches or clubs with membership lists. We would request those Branches who have not yet returned their certificate to do so as soon as possible. If required, further copies of the certificate can be found on the Members Log-In Section of the RAF Association website or from the Area Headquarters by e-mail request to debbie.byam@rafa.org.uk.

Our congratulations and thanks go to all those who took part.

The Fundraising Events team have now launched this fabulous event to the public via the Association's website and so far we have an amazing response. We therefore invite you, your families and friends to take part too. Dogs on leads are also welcome. The Walk is in London on 14 May 2017.

Venue: 10.00am Dockside, Silverton, Newham E16 2QU.

Length of route: 5 miles approx.

Refreshments are available en-route and a meal is provided free of charge at the finish for those wishing to partake. The Charity Walk for Peace is a fantastic opportunity for the Association. ROYAL AIR FORCE CENTENARY CELEBRATIONS – RAF100

On 1 April 2018 the RAF will mark the centenary of its formation as the world's first independent air force. This will be an important opportunity for those in the RAF and the RAF family to commemorate their past, celebrate their success and also inspire the public as to their contribution to the UK's national security and prosperity.

The RAF100 programme of events will start in October 2017 and end in September 2018 and a number of flagship events will take place across the UK between March and September 2018 including a service in Westminster Abbey and a parade along the Mall, followed by a Royal Salute and flypast.

The four main charities (RAF Association, RAF Benevolent Fund, RAF Charitable Trust Enterprise and RAF Museum) have taken the unprecedented step of creating a joint venture charitable company, the RAF100 Appeal Ltd., its purpose is to deliver a coherent and collaborative campaign raising both income and profile.

More information about RAF100 can be found here: www.raf.mod.uk/raf100. There is also an opportunity to put forward any ideas that will help commemorate the achievements of the RAF and all who served, celebrate the RAF of today, or inspire people in your local community and beyond: www.raf.mod.uk/raf100/your-ideas. Further updates will be given as more information becomes available.

CONGRATULATIONS WIMBORNE BRANCH AND TO TOM KELLY!

Air Commodore Andrew Neal, Area President, was joined by other guests at a special luncheon, to celebrate the 70th Anniversary of our Wimborne Branch. A super occasion at which Mr Tom Kelly, Branch Secretary, received his Area Presidential Certificate. Well deserved Tom and many congratulations!

UPDATE FROM VOLUNTEERING

The Association is delighted to announce a joint pilot project taking place between Rotary International in Great Britain & Ireland (RIBI) and the RAF Association. Rotary is also a membership organisation and shares similar values to the Association of service, fellowship, diversity, integrity and leadership. Rotarians in Great Britain and Ireland are part of a global network of 1.2 million neighbours, friends, leaders, and

problem-solvers who come together to make positive, lasting change in communities at home and abroad. We are therefore pleased to be working with such a like-minded organisation for the benefit of the RAF family.

Starting in April 2017, Rotary in and around north and west Wales, Merseyside, the Wirral and parts of Cheshire, Shropshire and Lancashire, will be actively supporting the Befriending Service. Involvement will include sharing information and helping to recruit Rotarians in the area to become Befrienders for the Association to help us to combat loneliness and isolation in these communities.

A number of Rotarians have already expressed an interest in volunteering as a Befriender and have completed application forms. At the time of printing this article, we expect many to have already been booked onto one of our Befriender training courses for new Befrienders. A large number of courses are already planned from May 2017 onwards, to accommodate local training requirements for all our new Befriender volunteers.

The Volunteering Team will keep branches updated on progress with the pilot through the Area Newsletters.

If you have any questions in the meantime, please contact us on volunteers@rafa.org.uk or on 0116 268 8750.
